All this crossdressing and street-fighting
ブビバッ
HAUU !
NOT "Good" Subaru!
Stop being so foolish
Oh, Isuzu
Don't "Oh, Isuzu" me
Not just the crossdressing, you should quit the streetfighting too
I'll let you win-
I can't hit girls
Let me see your panties
But guys soy weird things if I don't dress like o boy
You seem troubled, Honda Subaru !!
No, you shouldn't be considering quitting just one of them
Hey button it up will ya?
's really hot
But if I quit streetfighting that would make me a crossdressing girl with a gakuran* complex

*gakuran = boy's school uniform

Oh !
That's a bit neater
Who ?
As a fellow street-fighter
Eh? She's a guy !?
It's the crossdressing guy I blew away in Change H Pink! *
It's not nice to be introduced like that
I, NISSAN ZETTO will help you out with advice
He he he
You remembered it so well
His fighting style involves lifting his skirt, showing his panties and attacking his opponents when they are stunned
How twisted can you get?
So basically he's a pervert
Don't make such baseless accusations !!
Sounds like it to me
